Meet our new Executive Director

Gail Faraj-Musleh is a mental health advocate with a passion to empower and motivate diverse groups of people by counseling and advising. She holds a Bachelor's Degree from the Franciscan University of Steubenville in Mental Health and Human Services and has been actively working in this field for over 25 years. Our new Executive Director grew up inspired by her mother Jane Scaramuzzi, a pillar of strength and faith, and due to her loving influence, Gail is a very devout Catholic and pro-life advocate. Gail upholds the dignity of women and provides for them compassion, warmth, acceptance and the courage to choose life.

Celebrate Life

We strongly believe in life beginning at the moment of conception and dignity of the life of the baby as well as the life of the mother. We continue to direct pregnant women to programs and assistance needed to support life.

The Mother of Life Center is committed to peaceful and educational activities to supporting women and promoting life. The generosity of our supporters enables our center to continue providing free pregnancy testing, free limited ultrasounds and confidential counseling to women with unplanned pregnancies. In 2016 we were able to help 748 women celebrate life. Your donations have made it possible to keep our awareness program alive and educate women on the risks and life threatening consequences of abortion.

Call for a tour and see our new look (401-421-0821)

Thank you, David!

After 12 years of great service to our Center, David O'Connell retired from the Executive Director position. Now he is devoted to art restoration and is doing an amazing work with sculptures.

New Parenting Conference Room

The Mother of Life Center is a not-for-profit organization, funded primarily by charitable donations.

We are renovating our basement to accommodate a conference room for pre-natal, and parenting for our moms choosing life. Also, in this new area we will have rocking chairs and an assortment of baby books to motivate parents to replace electronic devices with a "rock and read" atmosphere. This area will also house our new baby store and all your baby clothing donations.

Come pray with us

Every first Friday of the month at 12 noon, we invite and encourage everyone to pray together as one body of Christ in our beautiful chapel. Our mass is followed by a light luncheon for fellowship with all those who are committed to protecting life. We pray daily in our chapel with gratitude for you and for all the intentions of your heart. Thank you for making our ministry possible.
